

Books for Kids

With the closing of our libraries, The Jackson County Republican Women developed the “Books for Kids” program in cooperation with the Storytelling Guild. Hundreds and Hundreds of New and Used books were collected for Children Kindergarten to 8th Grade. This program appeared in both the Oregonian and the Mail Tribune and was on all Three Major television news channels as well as local radio stations. Thanks to Kathy Hathaway Chair of our Caring for America & Literacy and our Resident Librarian Christine Prinsen who set up the books and all of our wonderful volunteers that have manned the Santos Community Center Reading Room this project has been successful and rewarding. A special Thank You to Coralie Ayers for her help in coordinating the volunteers.
