**Knute Buehler**  
**Candidate for Governor**  
**Guest Speaker—JCRW**  
**July 12th—Luncheon Meeting**

As the third child born to a butcher father and stay at home mother in Roseburg, neither of whom attended college, Buehler had a true blue collar upbringing.

After graduating from Roseburg High School, Buehler went on to study Microbiology at Oregon State University. He became the first student in the University's history to receive the prestigious Rhodes Scholarship, leading him across the pond to Oxford University. There, he earned an M.A. in Politics and Economy. Buehler returned to the states to attend Johns Hopkins University School of Medicine. The native Oregonian decided on Oregon Health & Science University for his Medical Residency, and has lived in the state ever since.

Currently, Knute is an orthopedic surgeon at The Center for Orthopedic and Neurosurgical Care and Research. He also serves as a member of the Board of Directors for the Ford Family Foundation and St. Charles Health System.

Beuhler spent 20 years establishing his name in the local political community through his active involvement in ballot initiatives to reform campaign finance laws and to eradicate Oregon's closed partisan primary election system.

**Knute Buehler** is a Republican member of the Oregon House of Representatives, representing District 54. He was first elected to the chamber in 2014. Buehler did not seek reelection in 2018.

Knute is the Republican candidate for Governor of Oregon.

July 1, 2018

Dear members and friends,

Our annual fundraiser is at hand. Please consider donating an auction item or selling tickets to the event. If you can do either (or both!) please contact the BBQ Committee.

Proceeds of the event, bolstered by your in-kind donation or contribution of your time and talents, will be used by JCRW in 2019 for:

US Constitutions to students and educators in public, private, and homeschool settings - 1,690 distributed in 2017 and over 2,000 scheduled for Sept 17, 2018 Constitution Day;

Fund our annual Scholarship Award of \$3,000 for furthering formal education or experiential experience, such as internships;

Provide civics/public sector education events or candidate and issues public voter education forums; and

Speakers and Programs of interest to our membership of approximately 150 (50 plus of whom attend our regular monthly lunchtime meetings at Elmer's Restaurant) and the approximately 2,000 friends and former members who receive our monthly newsletter.

Date is Sept 8th 3:30 - 6pm. Grizzly Peak Winery Event Center, Ashland. Tickets for volunteers' meal is \$20 - Thank You to Yummy's for partial donation of our BBQ dinner of beef tri-tip or chicken, salad, green beans, rolls, potatoes au-gratin, and two desserts!

The sponsorships and donations this year have been amazing so far. We have found sponsorship for the Scout parking attendant volunteers' meals and a donation to their troop for their time. We have found sponsorship for the national anthem singer and piper's presentation and for the color-guard flag presentation volunteers. And we have found sponsorships and donations to help defray expenses for the AV presentation equipment and operator for our long-distance friends' Skype messages to JCRW. And we absolutely must acknowledge that this event would not have been possible, without the very kind and generous donation from Yummy's for the food offered and Grizzly Peak Winery's enormous donation towards the cost of the lovely venue. For all potential volunteers, contributors, and donors, THANK YOU for considering our request.

Please attend if you can. If you cannot attend and wish to instead sponsor a young Republican or student, please indicate below as "sponsor" ticket(s).

We anticipate a lovely event in a local vineyard, with good fellowship for a good cause, and the opportunity to raise money and awareness for the important work JCRW has provided in the Rogue Valley for over 75 years - and what we plan for 2019 - 2020.

THANK YOU. If you have any questions or ideas how we can acknowledge your support, please contact me or Patricia or Sandi. We look forward to sharing good company, good food, and a beautiful evening, which will benefit the important Education Fund resources we need to continue our scholarship fund and our Constitutions for Jackson County students.

Regards,  
Janice Watson, JCRW Pres 2018-19

**WASHINGTON, D.C.** -- During a speech on the floor of the House of Representatives June 26th 2018, Representative Greg Walden (R-Hood River) urged President Trump to pardon Dwight and Steven Hammond of Harney County. A full transcript of Walden's remarks is included below:

"Today I rise and raise an issue that would, quote, 'shock the conscience'. Those are not my words, those are the words of a distinguished federal judge when he refused to sentence two ranchers in my district to five years in prison. This Friday, the youngest of those two ranchers will mark his fourth year in prison for starting a fire. By the way, fire on the range is a management tool, and they were using it for that purpose," said Walden.

"They were tried. They got convicted. But they never should have been sentenced to this," continued Walden. "The Obama Administration came back and resented them to five years for 139 acres. We burn hundreds of thousands of acres every year. The government starts fires that burn onto private land and nothing seems to happen. It is time for the President to review this situation and to grant a pardon to Steven and Dwight Hammond -- pull them back together with their families. They have served long enough. This is an issue that shocks the conscience. It's time for real justice, and President Trump can administer that."
